

You know the cultures

YOU KNOW THE WAY

- ROLES**
- Every player starts the game outside of the board
 - Moves are made by rolling a dice
 - The number of rolled dice eyes dictates how many steps a player takes
 - First one to reach 100 wins
 - When a player steps on a white square - he has to draw a card
 - If the player answers the question correctly: Moves up following green arrow
 - Avoids dropping down the red arrow

Wild CARD
